Favorite Product: Lews American Hero Tier 1 line of rods and reels. The wide range of actions in this series covers everything from topwater, to bottom baits and finesse.

### Tim Moore

He has been a licensed guide for 18 years but has fished the waters of New Hampshire & New England for more than 40 years. Tim has been featured on television publications such as Meet Marchand & Miller, Charlie Moore Outdoors, Field & Stream's Hook Shots & more! He is a regular seminar speaker & loves to share his passion for fishing with anyone who cares to listen.

## PADDLE!

Paddlesports Reps will be on hand Fri & Sat to answer questions!

### Alvah Maloney

Alvah Maloney is the owner of Maine Kayak, based in the beautiful mid-coast region of Maine on the Pemaquid Peninsula in New Harbor. Born & raised in a one-room log cabin, Alvah's love for the outdoors was instilled at a young age through his parents whitewater rafting company. After working summers on the river and spending winters backpacking and paddling through Costa Rica and Chile, the latter as part of the National Outdoor Leadership School in Patagonia, Alvah graduated from Unity College with a B.S. in Outdoor Recreation. He began Maine Kayak as a whitewater instruction program in 1999 but quickly expanded to sea kayaking & lake touring in 2003. Maine Kayak gives Alvah the opportunity to share his love of the outdoors and the beautiful paddling environments of the great state of Maine every season.

### Tom Baney

Tom Baney is from the South Shore of Rhode Island and loves fishing for striped bass, bluefish and flounder. He has been kayaking for over 28 years.

On Friday & Saturday Tom will discuss the features & benefits of the Autopilot vs. PDL kayak. Tom has the knowledge and experience to help guide you in selecting the kayak that is right for you!

### Blake Longworth

"Since my first pontoon boat ride out on Eagle Lake, before I could walk, I have been in love with water. I started paddling soon after and in all those years, I really haven't gotten much better at it! I think I've swam out of more watercraft than most people have ever seen! But my biggest passion now is sharing the water and the outdoors with my wife and two daughters." Blake comes to us from our friends at NRS and brings 17 years of experience in the paddlesports industry. When Blake isn't paddling (or swimming next to a boat), you can find him skiing, hiking, biking, or just chasing his daughters around outside and loving every second of it.

## HUNT!

### Gregg Ritz

An Olympic level shooter, industry leader in outdoor manufacturing, media and marketing, Gregg Ritz combines his passion for adventure hunting, the whitetail woods, family, fitness and God into all that he pursues. Originally from Maryland, Gregg Ritz began hunting at a young age and is now passing on his legacy and traditions to his three teenage daughters. Whether promoting the outdoor lifestyle on Outdoor Channel's award-winning Hunt Masters or championing product innovation, Gregg Ritz's commitment to excellence is unparalleled. Hunt Masters airs Sundays 8:30pm ET on Outdoor Channel.

### Melissa Bachman

Melissa Bachman grew up in central Minnesota, raised on hunting and fishing surrounded and guided by family and mentors to whom the outdoors wasn't just something you did, it was a way of life.

After graduating with honors and a degree in television broadcasting, she began as an unpaid TV intern. Within months Melissa was offered a position as a full time producer where she traveled the country filming, producing and editing shows with a variety of incredible hunters. She also spent every spare moment of her free time arduously filming and editing her own hunts. Today, Melissa spends over 200 days a year traveling around the country hunting and doing seminars. She is also the executive producer of her series Winchester Deadly Passion in its 14th season.

### Adam Hays

Born and raised in Central Ohio, Adam Hays' pursuit of the majestic whitetail has been a lifelong passion. As a dedicated and experienced hunter with 43 seasons under his belt, Hays has literally made a career out of chasing the big whitetails that roam the Midwest. Through a combination of skill, determination, and a deep understanding of these magnificent animals, Hays has carved a reputation as one of the most successful trophy hunters in the country by taking 14 whitetails with archery gear. That surpasses the Boone & Crockett minimum score of 170", with his four best cracking the coveted 200" mark!

### Nate Hosie

There are a few things Montdale, Pennsylvania is known for; its dairy farm and ice cream, the Montdale country club and Lakeland Football. But lately there is one more buzz coming from the small dairy town, and that is none other than HeadHunters TV's own Nate Hosie aka "The Turkey Slayer". He has built a name for himself locally and across the country for his hunting skills in the woods as host of the hit tv show HeadHunters TV on the outdoor channel.

Hosie has also found amazing success in the country music scene. He has opened for and shared the stage with some of the biggest performers in the business.

It's no wonder that at the end of the day, whether it's calling turkeys, hunting deer, chasing elk or making music straight from his heart, Nate Hosie knows just what a lucky man he is to get to live the life he does.

Don't Miss Nate's Acoustic Performance on Sunday!
